

Administrative Regulation 3280.1 GRANT APPLICATIONS

Responsible Office: Office of Business & Financial Services

REGULATION

1. Grant applications for amounts over \$25,000 must be submitted to the Board of Trustees for approval prior to being submitted to the granting agency.
2. In recognition of the fact that at times grant application timelines are extremely short, exceptions will be made by the Superintendent as necessary.
 - a. Grant applications submitted to granting agencies without Board approval must be submitted for Board approval as soon as possible.
 - b. If the Board decides not to approve a grant application, the application previously sent to the granting agency will be withdrawn.
