

# Administrative Regulation 6171.1 Alternative Education Program

**Responsible Office(s):** Office of Academics

## **REGULATION**

1. The Department of School Performance is responsible for the maintenance of the District's alternative education program. This program includes the alternative education classes at the high schools, Washoe High School, and the alternative means for students to earn high school credit. (see Administrative Regulation 5127.1.)
2. Students who are eligible for the program will have the advantage of counseling and psychological services as well as an instruction program to help them adjust and earn reinstatement to the regular educational program or successful entrance into a postsecondary educational setting.
3. Administrative procedures governing the referral, placement and discharge of students to and from the District's alternative education program shall be developed in accordance with appropriate due process procedures and Nevada Revised Statutes.
4. The procedure for the development and implementation of the alternative education program shall be the responsibility of the Department of School Performance.

## **IMPLEMENTATION GUIDELINES & ASSOCIATED DOCUMENTS**

1. This document reflects the goals of the District's Strategic Plan.
2. This document aligns with Board Policy 6171.1, Alternative Education Program.
