- b. Incoming English Learner (EL): English Learner who is transferring into the District from another U.S. school district (Nevada or other state).
- c. Newcomer English Learner (EL): An immigrant/New in Country (NIC) student who has attended U.S. schools for less than 1 (one) full school year, and whose primary or home language is not English, regardless of English language proficiency.
- d. Consult the following table for procedures based on student age and EL status:

3. In accordance with federal laws and regulations, ELs have the option to attend a school (including their zoned school) through the age of 21 and must have equitable access to academic courses including instruction for English language development.

- a. A student who turns 20 on or before September 30 is considered continuing; if a student turns 21 after September 30, the student must be withdrawn on the student's 21<sup>st</sup> birthday and referred to RISE Academy for Adult Achievement. Any student who is 21 or older on September 30 should be referred to RISE Academy.
