DEFINITIONS

1. "Talent Acquisition" is an ongoing strategy to identify and hire talent that will meet current and future organizational needs.

POLICY

1. Through its talent acquisition strategy, the District will:
 - a. Implement procedures consistent with current collective bargaining agreements and employee handbooks;
 - b. Identify and remove barriers to attracting and retaining a high performing workforce;
 - c. Seek the most qualified applicants for all vacant positions within the District to meet current and future workforce needs; and
 - d. Employ and maintain a qualified workforce.

- c. No employee shall be assigned to a position under the direct supervision of a person related within the third degree of consanguinity or affinity without the approval of the Superintendent and the Board.
3. The District shall not discriminate against any individual with respect to compensation, terms, conditions, or privileges of employment on the basis of an individual's actual or perceived race, color, religion, sex (including pregnancy, childbirth, and related medical conditions), national origin, native language, age (against individuals forty (40) years of age or older), sexual orientation, gender identity or expression, genetic information, veteran or military status, political affiliation, marital status, disability, lawful use of any product when not at work, or opposing unlawful employment practices.
4. Leadership Team
 - a. The Superintendent shall notify the Board, in writing, regarding any reorganization, creation, or elimination of Leadership Team positions that report directly to the Superintendent. Such notification shall include the recommended compensation range or any compensation changes, when applicable.
 - b. The Superintendent shall notify the Board, in writing, regarding the contingent offer of employment of new Leadership Team members that report directly to the Superintendent.
 - i. This notification shall disclose to the Board:

 2. Any familial, personal, or other relationships the selected candidate has with the Superintendent, other Leadership Team members, or Trustees;
 3. All current or former business or property interests the candidate has or had with the District; and
 4. Outside employment or business the selected candidate intends to continue to perform during the course of their employment with the District.
 - ii. In the event that one or more Trustee has a concern(s) that may arise under NRS 281A, character, alleged misconduct, or professional competence about the contingent offer of employment to a Leadership Team member based on the Superintendent's

notification, a request from the Trustee(s) may be made to review the offer of employment as an agenda item at the next possible meeting of the Board and the individual must be noticed in accordance with state law (Nevada Revised Statutes (NRS) Chapter 241).

1. The Trustee's request to review the contingent offer of employment as an agenda item must be made to the Board President and Superintendent within five business days from the Superintendent's notification of contingent offer of employment. If there is no Trustee's request to review within five business days, the Superintendent may offer employment to the candidate.
- c. The Superintendent shall notify the Board, in writing, regarding the termination of employment or severance of any Leadership Team member with or without cause. Such notification must occur five business days before terminating or severing the Leadership Team member.
 - i. If a Trustee has a concern with the proposed termination or severance of a Leadership Team member, a Trustee may make a request to meet with the Superintendent and the Board President to review the Superintendent's reason for the decision including impacts to the District.
 - ii. If a Trustee, after the meeting, remains concerned with the Superintendent's decision, the Trustee may request an agenda item to the Board President, who must place the item on the next Board agenda for action by the Board to affirm or deny the Superintendent's decision.
