**BOARD POLICY 6725**  
**ENGLISH LEARNERS**

**PURPOSE**

The Board of Trustees (Board) establishes this Board Policy to teach English to Washoe County School District (District) students who are English learners and that enables English Learners to attain proficiency in the English language and improve their overall academic achievement and proficiency.

**DEFINITIONS**

1. "English Learner (EL)" refers to students aged 3 - 21 enrolled in school whose primary or home language is not English and who does not meet proficiency on a state approved language proficiency assessment.
2. "Incoming English Learner (EL)" An EL who is transferring into the District from another U.S. school district (Nevada or other state).
3. "Newcomer English Learner (EL)" An immigrant/New in Country (NIC) student who has attended U.S. schools for less than 1 full school year, and whose primary or home language is not English, regardless of English language proficiency.
  - a. For the purposes of this document, a student who has spent the previous 4 years or more out of U.S. schools AND whose primary or home language is not English AND who scores below 2.0 on all four domains of the English language proficiency placement test is considered a Newcomer EL.
  - b. In accordance with federal laws and regulations, schools must administer a state approved English language proficiency assessment to determine if the student is EL.
4. "Short-Term English Learner (STEL)" An EL who has attended U.S. schools for less than 5 years, regardless of English language proficiency.
5. "Long-Term English Learner (LTEL)" An EL who has attended U.S. schools for 6 years or more and may exhibit poor academic performance in core subject areas and/or on standardized achievement tests.

## **POLICY**

1. The District shall systemically incorporate English Learners' socio-culture experiences as the foundation for culturally responsive learning and success across all curricula for 21<sup>st</sup> Century learning.
2. The District shall provide EL students with equitable access to content and language learning by building a culture of collaboration in which staff from different departments work together to address language learning and English proficiency.
3. All EL students shall be provided with instructional supports and scaffolds aimed at reaching proficiency in the English language at a developmentally appropriate pace as defined by the World-Class Instructional Design and & Assessment (WIDA) Consortium.
4. The District shall use research-based strategies for effective EL programs to assist in the development and sustainability of bilingualism, bi-literacy, multiculturalism, and overall academic and linguistic achievement.
5. The District recognizes that each individual student has a different pace and style of learning and there are varied methods to instructing English Learners in language acquisition. The needs and abilities of each student shall be considered when determining these differentiated approaches, but all shall result in increased proficiency of language.
6. Access to culturally responsive educational opportunities, programs, and instruction shall be promoted for all students and their families. The District shall provide community and parent/guardian engagement at District schools to provide communities and families with the tools to become advocates for the educational rights of students.
  - a. The District shall comply with all applicable federal and state laws and regulations related to the education and support of English Learners.
  - b. Strategic use of native language is considered an important factor of a student's success in school. It is also important that all cultures and native languages are valued and respected within all schools.
7. The Board hereby directs the Superintendent to adopt an Administrative Regulation to implement and maintain the purpose of this Board Policy. The Superintendent shall include in the Administrative Regulation the following provisions:

- a. Identification and placement of students who use language(s) other than English, and providing all students with access to effective programs and pathways to succeed academically;
- b. Simultaneous delivery of language and literacy development and academic content instruction that prevents and closes the achievement and access gaps, builds 21<sup>st</sup> Century skills and capacities, and achieves high levels of parent/guardian satisfaction and support;
- c. Development by EL students of proficiencies in academic and social English in the domains of listening, speaking, reading, and writing, consistent with expectations for all students;
- d. Evaluation of EL students with appropriate and valid data-driven assessments that are aligned with federal, state, and local standards in order to improve academic, linguistic, and sociocultural outcomes for English Learners;
- e. Implementation of data-driven accountability in all schools. This includes having measures in place, in accordance with Nevada law, for corrective action by a school that is rated in the lowest 30 percent of public schools in the State in the achievement of students who are English Learners;
- f. Professional development at all levels of the District, giving all teachers and leaders the skills and knowledge, they need to address language acquisition in EL students;
- g. Targeted support services and strong partnerships that ensure families of EL students are welcomed as full members of the educational community and in the educational decision-making process for students, and ensuring that District decisions reflect the voices of ethnically and linguistically diverse students and parents;
- h. Use of a balanced assessment system including diagnostic, formative, interim, and summative language, literacy, and content area assessments provided by the State and the District;
- i. Procedures for the creation and posting of a school corrective action plan, when required under Nevada law;
- j. Provide for the identification of the primary language of each pupil enrolled in the school district at the beginning of each school year to assist in the identification of pupils who are English learners; and

- k. Provide that a pupil who is an English learner shall remain placed in a program for English learners until the pupil receives a passing score on an appropriate assessment of pupils who are English learners.
