

Responsible Office: Office of the Board of Trustees & Superintendent

BOARD POLICY 9065

BOARD OF TRUSTEES' COMPENSATION AND EXPENSES

PURPOSE

In order to provide effective leadership to a high performing school district, and to provide reform governance to the Washoe County School District ("District"), the Board of Trustees ("Board") must take an active role in the community, as well as seek and obtain superior professional development. Travel expenses to carry out that objective are accorded to members of the Board pursuant to Nevada state law.

POLICY

1. Compensation. Members of the Board may receive compensation not greater than the amount allowed by Nevada state law. (NRS 386.320)
2. Budget Accounts
 - a. Members of the Board shall have individual budget accounts that allow for the reimbursement of travel and other expenses incurred in the performance of the duties. Individual accounts may be shared with another member in accordance with the District's budget transfer process. The budget account shall be allotted to the Board of Trustees at the time of the District's annual budget approval; and remaining balances shall not roll to the next school year.
 - i. When the term of a Trustee will conclude in December and the Trustee is either not seeking re-election or has reached the term limit, it is expected that the Trustee shall not expend more than 25% of the allocated budget amount to ensure sufficient funds remain for the incoming Trustee.
 - ii. When a Trustee is seeking re-election in the general election occurring in November, it is expected that the Trustee shall not expend more than 50% of the allocated budget amount prior to the election to ensure sufficient funds remain for the second half of the fiscal year for either that Trustee or the newly elected Trustee.
 - b. The Board understands and recognizes the fiduciary duty owed to the public to use public funds in a responsible manner and only for travel and costs that are required for the transaction of official school business.
3. Mileage Reimbursement

- a. Mileage reimbursement shall be paid at the current rate established by the Internal Revenue Service.
 - b. A Trustee shall be allowed mileage reimbursement for traveling to and from the place where board meetings are held, and his/her living expenses necessarily incurred while in actual attendance at board meetings.
 - i. No claim for mileage and/or living expense shall be allowed or paid to a Trustee traveling less than 5 miles to or from the place where a board meeting is held.
 - c. Trustees are authorized to be reimbursed for round-trip travel expenses as required for the transaction of "official school business." "Official school business" includes, but is not limited to, the following:
 - i. Official school events and activities (e.g.: school openings, back to school events, graduations, and other school functions to which the Trustees are invited);
 - ii. Constituent meetings (e.g.: Parent Involvement Council, PTA/PTO meetings, Community Advisory Board, Neighborhood Advisory Board, Listen to Learn events, Town Hall meetings posted in accordance with Nevada Open Meeting Law);
 - iii. Board Committee and Subcommittee meetings (e.g.: Bond Oversight, School Naming, Audit Committee);
 - iv. Events sponsored by an entity in which the Board/District holds membership (e.g.: National School Boards Association; Nevada Association of School Boards, Council of Urban Boards of Education);
 - v. Official legislative and/or lobbying activity, as directed by the Board President.
4. Travel and Per Diem Expenses
- a. Travel and per diem expenses required for the transaction of official school business shall be paid to Trustees according to travel and per diem allowances authorized by law for state officers. Trustees are authorized to receive advance travel and per diem funds for official school business.
 - i. Official meetings with constituents, public officials, etc., may include meals and be reimbursed as above. Such reimbursement shall not include the purchase of alcohol.
5. Other Expenses
- a. Technology Equipment. Technology equipment may be provided to each Trustee, as needed, during the time the Trustee remains in office. Technology Equipment includes, but is not limited to: laptop computer,

desktop computer, mobile (tablet) computer, monitor, multi-function printer, and smart phone.

- b. Technology Services. Trustees may be reimbursed a monthly allowance for technology services costs necessary to perform their duties effectively and efficiently. The Board of Trustees shall consider and approve a monthly allowance during the annual budget review and approval process. Technology Services include, but are not limited to: cellular service and data plans associated with the use of cellular/smart phones, computers, tablets, and wireless/internet access.
- c. Supplies. Trustees may purchase items necessary for the transaction of official school business. Supplies include, but are not limited to: printer paper and ink cartridges.
- d. At the conclusion of a Trustee's term in office, any technology, equipment, or supplies/materials of value, which were purchased by the District for use in the performance of duties, shall be returned to the District or the Trustee may retain the item by reimbursing the District the original purchase price of the item.

DEFINITIONS

1. Members of the Board of Trustees are public officers.
 - a. "Public officer" means a person elected or appointed to a position which: is established by the Constitution or a statute of this State, or by a charter or ordinance of a political subdivision of this State; and, involves the continuous exercise, as part of the regular and permanent administration of the government, or a public power, trust or duty.
